CLA Global

CLA Global Limited (CLA Global) was founded on July 1, 2022, by CliftonLarsonAllen LLP and Evelyn Partners.

The organisation offers one of the largest financial outsourcing services and private client and wealth advisory platforms of any global accounting organisation. Moreover, it hosts a culture of diversity and inclusion that uses combined strengths as its greatest competitive advantage.

Professionals in its member firms support clients by speaking their language and serving as their eyes and ears from a business, regulatory, and tax perspective — so they can help them cross borders confidently and efficiently.

Our Experience

Over the last 50 years, the firm has grown from strength to strength. It has built a very sound reputation for its capabilities, knowledge, and service. It has also built very impressive goodwill even outside Malta through constant participation in conferences, presentations, fairs, government delegations, and the like.

We are currently engaged by numerous clients that operate in various industries. A selection of these industries can be summarised as follows:

- ▶ **Agriculture**
- ▶ **Consumer Markets**
- ▶ **Finance**
- ▶ **Government & the Public Sector**
- ▶ **Healthcare**

Beyond Business: Our Commitment to CSR

In today's world, businesses are expected to do more than pursue profit. At CLA Malta, we recognise our broader responsibility to contribute to the well-being of society and protect the environment. By embracing this responsibility, we aim to impact communities and foster a sustainable future positively.

Our commitment to environmental sustainability is reflected in our recent tree-planting initiative, where our team actively contributed to preserving and restoring nature. This initiative underscores our long-term dedication to a greener and more sustainable future. But it doesn't stop there—giving back to the community is deeply embedded in our ethos. Whether it's organising cleanups, making charity donations, or supporting NGOs, we believe in being an active force for good. We're built differently, so we're constantly seeking ways to make a positive difference, one initiative at a time.

Our Brand New Sustainable Offices

At CLA Malta, our new office on Valley Road, Msida, reflects our commitment to sustainability and innovation. Spanning 2,600m² over eight floors, this eco-friendly, state-of-the-art building integrates energy-efficient systems, natural lighting, and outdoor terraces designed to reduce our carbon footprint and promote biodiversity.

Every detail, from high-performance insulation to recycled materials, was chosen to minimise environmental impact, blending modern workspaces with responsible practices. This investment symbolises our belief that progress and sustainability go hand in hand, setting a growth standard that benefits our team and the planet.

An aerial photograph of a coastal area, likely in Malta, featuring steep cliffs, turquoise water, and several boats. The scene is viewed from a high angle, showing the rugged terrain of the cliffs and the clear, shallow water.
