Malta

Malta is an archipelago in the centre of the Mediterranean Sea. It is a nation dotted with historical sites related to a succession of rulers including the Romans, Moors, Knights of Saint John, French and British. It has numerous fortresses, megalithic temples and the Hypogeum dating to circa 4000 B.C.

Malta is the largest island and the cultural, commercial and administrative centre. The island offers plenty of specialist activities both at sea and on land varying from learning English or a new skill, to discovering its history or getting fit. And if this were not enough, Malta's two sister islands, Gozo and Comino, can be a pleasant change-of-scene or alternative destinations in themselves.

Malta is a republic island whose strong ties with the United Kingdom, having formed part of the British colony, is a Member of the Commonwealth of Nations. Malta has been a member of the European Union since 2004 and it later also joined the Eurozone in 2008.
