## Who We Are

At CLA Malta, we're **Built Differently**. As part of CLA Global, a global powerhouse with 130 locations worldwide, we deliver innovative, client-first services. Whether it's taxation, legal advisory, marketing, compliance, or corporate support—we've been doing it for 50 years and do it well. We combine local expertise with global reach, helping businesses in Malta and beyond thrive.

With a team of 120 driven professionals in Malta, we provide flexible, personalised solutions designed to make an impact. Our parent network, CLA Global, is the fastest-growing firm globally, and at CLA Malta, we're equally committed to driving your success.

## Student Programmes

Why wait until after graduation to kickstart your career? At CLA Malta, we believe in nurturing the next generation of professionals through hands-on internships. Rotate through departments like accountancy, legal, marketing, and compliance, discovering where your strengths and passions align.

You won't just be doing busy work—you'll get real projects with real impact backed by a team committed to your growth. Whether you're building technical skills or boosting your confidence, we aim to set you up for success, whatever path you choose.

## Our Perks and Opportunities

We care about your well-being as much as your career. How do we do it? With perks like study leave, a flexible hybrid work setup, and year-round flexible hours—including reduced summer hours. We've got wellness support, mental health services, and a work-life balance that actually means something.

## Beyond Business

At CLA Malta, we're about more than just profit. We believe in giving back to the community and protecting the environment. From tree planting to supporting children's charities and health initiatives, we're committed to creating a positive impact. Join us, and you won't just build a career—you'll help build a better future.

## Global Secondment Program

Ready to take your career global? With CLA Malta, the world is literally at your fingertips. Through our extensive CLA Global network, you can take on short- to mid-term assignments in exciting cities like London, Shanghai, and beyond.

You'll gain invaluable international experience, working on high-level projects while soaking in the local culture. Plus, you'll have full support and training to help you navigate the job and life abroad. It's a game-changer for your career—and your personal growth.
